More than Just a price list (2007)

I know it is important to you that you get what you want in your wedding package. The coverage that you want, the products that you want and the quality that you want.

The following are included with all the Saturday wedding packages*

Pre-Wedding consultation:

After you've decide that I am the photographer for you, we will spend time together going over the details of your wedding day. We will fine tune the times and locations for shoots, what is being covered and when. This way, on the DAY, you won't have to wonder or worry.

All your proofs printed:

Every image is enhanced . Some will be black and white, some will be in sepia tone, some will have effects added to them and some will be in full colour. You will get all your finished proofs printed. The studio name will not be stamped across the image. These proofs will be yours to keep forever.

Digital Negatives:

You will get the full resolution file of the finished image on disc. This also is yours to keep. You can print any size image from that disc. You can even print your thank you photos. Be sure to make copies of this disc for safe keeping. These are your negatives.

On-Line viewing:

About 150 to 200 images selected by me will featured in an on-line gallery. You can share these images with all your guests and those who could not attend. They can even order photos on line. This way, you won't have to worry about printing images for everybody.

Cards for on-Line viewing:

Your on-line gallery is private and only accessible with a password and if you also book your engagement photo shoot with me, you will get cards with a photo of you and the on-line info to distribute to your guests at the reception.

DVD Slide show:

This is perhaps the most remarkable item included in your package; the DVD slide show. This DVD can be viewed on your TV. Imagine how easy it will be to re-live your day and never let it end. Also make copies of this disc for safe keeping.
